

BLACK SEDAN INC

Account is already created!

Once admin logs into the account: there needs to be three sections.

1. **Offers:** all the rides booked show in this section.
 - a. There needs to be a drop-down menu with all the chauffeurs that have an account with Black Sedan.
 - b. Admin has to assign the ride to a chauffeur before it shows in their offer portal.
 - c. Once the admin has chosen a chauffeur, and the chauffeur has accepted the ride, it needs to automatically move to the upcoming rides section.
 - d. Chauffeur should only see the following details:
 - i. Customer first and last name
 - ii. Pickup date
 - iii. Pickup time
 - iv. Pickup location
 - v. Dropoff location
 - vi. Flight No.
 - vii. Email address
 - viii. Phone number
 - ix. Special instructions
 - e. **Upcoming rides:** shows all the rides that have been accepted by the chauffeurs. They need to show the progress of the trip.
 - i. Once a chauffeur has pressed the "ON THE WAY" button, it needs to show in the admin portal as a progress bar.
 - ii. Once the chauffeur presses the "COMPLETE RIDE" button, the ride automatically moves to the past rides section.
 - f. **Past rides:** shows all the rides that are completed and cancelled.
 - i. Have status bars under each ride.
 - ii. Green status bar that says "COMPLETED" for completed rides.
 - iii. Red status bar that says "CANCELLED" for cancelled rides.
